Quentin Bahers

Curriculum Vitae

Education

2013–2014	**MSc in Computer Science**, *Uppsala University*, Sweden.
2010–2014	**MSc in Information Technologies**, *Télécom Bretagne*, France.
	Télécom Bretagne is one of the most prestigious graduate engineering schools in France
2011	**Student Exchange Program**, *The University of Hong Kong*, China.
	Courses in Computer Science, Economics, Management and Mandarin Chinese
2007–2010	**CPGE Lycée Chateaubriand**, France.
	Intensive courses in advanced Mathematics and Physics to prepare for the highly selective entrance exams to the French "Grandes Ecoles"
	Equivalent to a BSc in Mathematics and Physics
2004–2007	**High School Diploma**, Highest Honors, France.

Experience

2012–2013	**Software Engineer Intern**, Orange, Tokyo, Japan.
	Worked on web applications (back-end & front-end)
	Developed a Windows 8 app
	Prototyped a face tracking system using Kinect
2011	**Summer Intern**, Orange, Lannion, France.
	Improved an algorithm designed for context-aware networks

Projects

2013–Present	**Internet of Things Framework**, Uppsala University.
	Ongoing collaboration with Ericsson Research on applications within sensor networks and how, in a not too distant future, in a "Social Web of Things" or "Internet of Things" we can interact in a user-friendly way with thousands of connected devices

Computer skills

Ruby	★★★★☆	Linux	★★★★☆
Rails	★★★☆☆	Git	★★★☆☆
C++	★★☆☆☆	Scala	★★☆☆☆

Languages

French	Mother tongue	Chinese	Basic
English	Proficient	Japanese	Basic
Spanish	Basic		

Kantorsgatan 26, room 232 – Uppsala, Sweden
